Bible Study on Mission

This guide provides sound biblical help on a practical response to some of the findings. Exploring this material has the potential to equip every Christian to have many more effective conversations about faith with their friends and family. If we want to make a difference, if we want to be Game Changers in our time, serving our communities in word and deed, we can look to the early church for inspiration.

This workbook contains six sessions, complete with leaders' guide, to help small groups engage with the Scriptures and apply them to our lives.

Each study includes a Bible passage, some key research and thoughts, questions to reflect on or discuss, action points and prayer guidance.

Cost: £3.99
