### Co-Mission

#### *A Passion for Planting, for London, for Christ*

Co-Mission are working together with other evangelical churches to reach the unreached for Jesus by prayerfully and boldly trying to plant and establish reformed evangelical churches in London. Watch this video which shows how a united passion for mission is bearing fruit across our nation's capital city.

#### **REVIVE WEEKEND 21-23 June**

This is an impressive event which will have happened by the time you read this but it is worth watching the video to see how they brought an energetic array of activities and seminars to this annual Bible festival. In a bid to help young people living for Jesus in London they covered topics such 'knife crime', 'operation forgiveness' and 'Is this it?'

### A Mile with Jesus

Thy Kingdom Come 2019 included a prayer walk along the Shropshire Way. On the walk Christians were seeking God to find out 'what is the unique thing that God wants to do in and through Shropshire?'

Neighbourhood Prayer Watch aims to see every postcode area in the UK with at least one congregation commit to prayer walking some of the streets in their postcode.

The resource booklet 'A Mile with Jesus' provides a useful starting point for those seeking to initiate prayer walking in their area. Copies are available for £1 from:

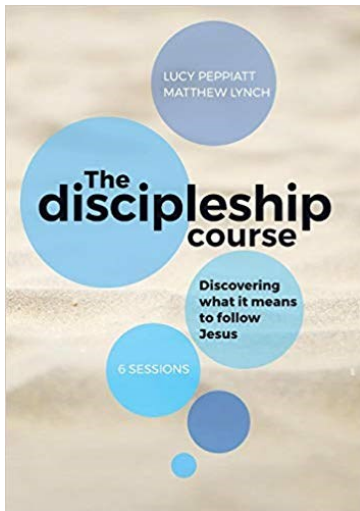

[www.resourcesforchurch.com](http://www.resourcesforchurch.com) (scroll down the page)

Within the guide there are three parts:  
Part I : Preparing to Prayer Walk and an A to Z guide of places you might come across. We have provided some prayer points for each one. Some of you may be walking in more rural areas, others in more residential areas, others around Towns and Cities. There is something here for all of these. As residential roads and streets may make up a significant part of your walk, we have provided a special section for praying for streets at the beginning.

Part II: We have provided some inspirational scriptures that you may want to pray over streets, or places or to aid you in prayer.

Part III: Some churches may wish to take this vision, further, so we provide five suggestions of how you could use this to do an outreach after your prayer walks.

## The Discipleship Course

The Discipleship Course booklet is designed for those who have made a commitment to Jesus Christ and are now Christians. It is an introduction to the Christian faith, and was written to give new Christians an understanding of their new identity, their history, their
